Atkinson, NH - The Executive Service Corps (ESC) of New Hampshire announced that its Executive Director, Michael Daily, was elected to the board of the Executive Service Corps Affiliate Network. The Executive Service Corps Affiliate Network is the central support organization for 33 independent Executive Service Corps Affiliates nationwide.

Randy Mosteller, Board Chair of the Affiliate Network said, "Daily was chosen because of his outstanding success in building the capacity of our Northern New England Affiliate."

Daily will be contributing in the areas of e-marketing and the exchange of best consulting programs and practices between Affiliates.

Executive Service Corps is a nonprofit organization that provides management consulting solutions to other nonprofits using experienced senior managers and professionals who donate their time and expertise as volunteer consultants.

The Executive Service Corps Affiliate Network is a national network that supports its affiliates by securing funding for affiliate programs, developing national partnerships, providing benchmarking, facilitating the exchange of best programs and best practices, and organizing an annual national leadership conference.
